## Pinecrest Players Class of 2023 Senior Show

Every year, Pinecrest Player's Senior class has the opportunity to put on a show of their own. They pick their own show, director, and put together the entire production, and take on all the responsibilities of putting on a great show. Last year, the Class of '22 put on the Spectacular show 'Seven Keys to Baldpate'. This year, the Class of '23 has chosen the comedy/thriller 'The 39 Steps'.

The 39 Steps is currently in production, and will be showing for one night only

### Dash Sannutti - Richard Hannay - Publicity

I've been in a couple plays and musicals. My class shows have been *Bad Ideas for Bad Television Shows* and *Among Friends and Clutter*. I was an ensemble member in the NCTC production of *One Lane Bridge*. Recently, I've had a singing role in *Freaky Friday*, and I had such a great time with that. I've also worked tech for shows like *Everyone Gets Eaten by Sharks*.

In my performance of *Among Friends and Clutter*, I was able to play one of the main characters, and now I'm able to play another main character. I've never had that many lines in any of my

#### Avery E. L. Brown - Director

My first show I worked was a backstage hand and I instantly fell in love! I became a Stage Manager for my first musical and quickly jumped into the world of technical theater. After student directing a Theatre 1 show, *Everyone Gets Eaten by Sharks*, I knew I wanted to direct the 2023 Senior Show! I'm still new to directing a show so this is an experience I will definitely learn from and will never forget!

I quickly fell in love with technical theater after I was the Stage Manager for *The Lightning Thief: A Percy*

Every picture and question was uploaded and published on the website, along with the poster and an explanation of what the senior show is.

## Directors Note

"The 39 Steps Abridged!" is such a ridiculous, silly, and action packed show I couldn't ignore directing. This is the second show I have directed with the Pinecrest Players and I'm so grateful I could direct my last show here. I would love to thank my co-director, Sirela Escala, for putting up with all of my weird and confusing ideas. A big thank you to the cast and crew for putting so much effort into this show and my strange ideas. I would also like to thank my teachers and the community for supporting me through my technical theatre journey, it seriously means a lot. Lastly, I would like to recognize my family, for being my #1 fans.  
 To quote Winston Churchill, "Never, never, never give up."  
 - Avery E.L. Brown

This is my second time directing for theater and I'm not the best at writing stuff like this so I'm trying my best. After contemplating directing I can say I am very grateful to take the chances with it. I have learned so much from directing Theater 1 and co-directing the Senior Show. I want to thank everyone involved with this show because of their dedication and patience. Thank you to my co-director Avery for having such amazing ideas that I can learn and follow along with. I'd also want to thank the cast for the laughs and work they have given. I'd want to thank Mr. Faw for teaching us and giving us the opportunity for the Senior Show. I know I am not the best at getting my ideas out or even speaking on them so thank you for the patience with that. I am very proud of the work we've done and can't wait to see the final product.

### Avery E.L. Brown

Avery quickly fell in love with technical theater after she was the Stage Manager for *The Lightning Thief: A Percy Jackson Musical* (2022). Avery has also worked with the Sunrise Theater on multiple shows such as *Five Women Wearing the Same Dress* (2022). She's currently pursuing an associate degree in Technical Theatre at Sandhills Community College.

### Sirela Escala

Sirela has been doing theater since she was about 10 years old and has always loved the experience. She moved to Southern Pines during her junior year and restarted acting after a short break. At Pinecrest she has been in a few shows such as *Among Friends and Clutter*, *One Lane Bridge*, and now *The 39 Steps*. She also co-directed *Everything But*. After Pinecrest, she plans to go to Savannah College of Art and Design to further her work in film acting in their acting B.A program.

### Dash Sannutti

In Dash's performance of *Among Friends and Clutter*, they played one of the main characters, and now they're able to play another. "I hope this play is as fun to perform as my other productions." Dash plans to attend Mississippi State University in the fall of 2023 to pursue a degree in Chemical Engineering.

### Morgan Bedwell

Morgan has been in the ensemble for most of her time in the theatre program and has loved every second. This will be her first show where she has not one, but at least 6 speaking roles, and she is very excited. Her plans after high school includes traveling to study abroad for a semester and then the summer and attending the University of North Carolina in Wilmington to pursue a degree in Marine Biology.

### Elliott Leis

Elliott has worked on a variety of shows, including *Antigone*, *The Lightning Thief*, *One Lane Bridge*, and *Freely Friday*. His favorite job was being the lead puppet designer for *The Lightning Thief*, which helped drive his passion for puppetry. He plans on pursuing puppetry professionally, as both a builder and puppeteer. "High school has really shown me how much I enjoy theatre as a whole."

**Freyra Burks** Freya started theatre in 6th grade she was in *Dorothy in Wonderful as the Wizard of Oz*, "I'm proud to say I was not the worst part of that show!"  
 Last year she was in the Theatre 1 production of *Hallmarks of Horror*. Last fall she was in *One Lane Bridge*, as everyone knows, was the greatest play ever performed.  
 After high school Freya plans on going to Appalachian State University and getting a degree in music education.

### Sam Darhower

Sam started his theater journey in elementary school when he was in both *Annie Jr.* and *Olliver Jr.* In high school, he helped the Stage manager of *Schoolhouse Rock Live!* He was also in *Gold Diggers for Best Television Shows*, *Circus Olympus*, *Lightning Thief*, and *One Lane Bridge* as well as in the ensemble of *Freely Friday*. He's student directed *19 Reasons Not to Be in a Play* and *A Most Curious Phenomenon*. Sam's plans after high school are to go to SCC for 2 years using the Sandhills Promise scholarship, then transfer to UNC Pembroke to study child development.
