Second Product Proposal
Costume Design

Artifact #1
- ➢ Budgeting sheet
- - Original breakdown of what are plan was for the budget before the show
- - Then a breakdown of how much we spent and where it came from (aka the loft, shopping, or brought from home.
- - Short description of what we would do better if we did this again (specifically for budgeting)

Artifact #2
- ➢ Shopping
- - this will include images (with descriptions) of arija and my shopping process.
- - It will include where we bought cloths, what ended up working, and what didn't
- - Also extra shopping vlog/haul

Artifact #3
- ➢ Photo call images
- - Photos of the final costumes with short descriptions on how we decided on them as the final product

Artifact #4
- ➢ Contrast
- - this will include our original inspo and our final product
- - I will put the inspo and final images next to each other and have a short description of what we liked about our actual costumes and what we wished had been more like the inspo
